

there, you go to your Kiowas meetings, week from Sat. You go down to your Apache meetings. See what's going on. Because these are your tribal meetings. You don't have to pay anything go over there when it gets time to vote, you vote one way or another. And remember what I said. That's the way I stand, I hope you people see these things same way I, you don't you've got your right to go with them.

O.K. Alfred--

Alfred: Thank you Philemon.

Think you got that drum warmed up?
