

don't know what she - what did you do with? Throw it away?

Mrs. Byrd: ((sentence not clear)) uncle I guess it was doctored her heart and she said I had to blow over her four times. Now that's foolishness. But then she was using roots and she had to pay \$7.00 for that roots. Every time he brought it, it cost \$7.00. She used tobacco to smoke around the place, you know, and I never did. I told her, I said, "I smoke!:" I don't know what she did. She said, "Well, just light it" and I did. She just blow it and it just smoke. I told her "I don't smoke."

Mr. Byrd: Well, it works. They do heal but then it's not god's medicine. It's Satan power, but they do heal them alright. But God don't appreciate them. I wish I could find- well that man just has his own way. But it is not God's way. It's in the Bible somewhere. I was reading it the other night.

Mrs. Byrd: ((name not clear)) and she goes to church and I don't care what kind of church, what denomination, she's there. As long as she enjoys it, she is there, you know. Whatever church there is she goes. And she is just as lively as she can be. And she is about 70, isn't she?

Mr. Byrd: About 67 or 68 I'd say. ((name of person not clear))

Mrs. Byrd: He's a good person and everything but he goes out with the wrong crowds, with the wrong kind. Then he gets himself into it. She is a hard worker. She was here today and she was here last Thursday. She has two little babies and I try to talk sense into her and tell her what you ought to do and everything.

Mr. Byrd: ((words not clear)) until I was 23 years old. Then I quit.

#### KEE-TOO-WAHS MEETINGS

(Where did the Kee-too-wahs have their meetings?)

Down there in Miami, Oklahoma - close to Miami.

Mrs. Byrd: They will all be there 19th of July. Big crowds there,  
(19th of July?)
