E djidn't aay nothing about it. I Ion't know.

## 

(I want to chinge the subject and ask you somathing else. Going back to thece peyote meetings-I've heard the meetings used to be different from what they are now, and somewhere somebody was saying they used to have some kind of contests in the meetings. I was wondering if you could tell meaything about that?)

Well, they said that sometime they kinda think, well, "Aluat mian think he know more about me-about doctoring-or know more about peyote way. I'll fix him. M. And they do some thinge to each others, you know. But I don't know just what thay do. But my daddy' said that thare's a man stay anong the Apaches --he-aing peyote songs-Mexican man. And he said, "Well, I heard that Eaddleblanket always try to witch you or do somathing. I want to know. I want $\rightarrow$ to find out. ${ }^{M}$. And then they told him (?) and he kinda'laagh about it. He asid, wail right." And be took a ratttle, you'know-- he sings. And my daddy, when he's goma run a moeting, he takes his hair down. He don't have his hair done. (You man he fote his hair be loose?) $\quad$. Ieah. And be say whan be (the Mexican) started to shake a rattle or started to aing-and finally he couldin't make it. His hand just become numb, you know. And be can't sing anymore. He just drop his anm abd quit. And sombody laugh about him. Thiy seen him. And they look at each other, and be said, (Unin. word), Fe told the old man, "You crazy.". "That's wey youl manted it. You want find out for yourself, and so I let you find out for yourself." AndI guess he fix him again and be got all right. He aaid, '"I believe it now. The old man's pomerful."
(That was that yasicen man that caused your fathar's hand to get numb) 110; it's father-because that Maxican mandidn't believe my daddy, he could do anything: And-they eay when he run meetings that sometine he unloose hif hair and 'when hes' ruqning it and scmetimes when mans look' at him it's like
