from? And all that time she was patting that ajlotment money in the bank in my account. And I told her I didn't want you to do that, and she said I know that and she said 'I'm gatting money, I've got lands and I'm getting money by the month. And I don't need this and I just figure you'll need it when you get home, or when you come home on leave and I didn't know that. And when I got discharged I had. $\$ 1700$ in the bank and I thought I was rich, just off my alldtment. And that's where I learned my experience, and I just thought that's the best thing 'that ever happened to me, being in the service. DEVELOPED GOAIS AID A PHILOSOPHY FOR HIMSELF (Howard, howdid yof, when you got out, did you go ahead with your education?)

Yes, but here's the'thing, let me tell you from my experience y y u begin to set a goal for yourself. You are not going no place if you don't have a goal. Reasonn why I say the best thing that ever happened to me was in the army was this: I made a PFC when I ggt out of basic training. And that meant something to me, one strpe on my shoulder, I mean my arm and $\$ 5$ raise in pay. All right, then I begin to see these corporal's in the army. They had these prifate rooms while everybody else lived together, out in the hall and everything else: And I just kinda thought, I'd like to be a corpora. I'd like to have my own private room. I just thought that the only way I'm going to get that is by working hard, taking orders fron my superiors and do whateyer they ask me. And a lot of times/if they ask for a volunteer, I ${ }^{\prime}$ 员 volunteer, I showed them that $/ I^{\prime} m$ going to be a good worker. I want to get more than a PFC. I want a prifate room of my own, I want to be a corporal. Three months after I was PFC I got propoted to corporal. I was on the list of promotions that went in and everybody come in and congratulated me and said
