BACKGROUND OF INFORMANT:

Guy Quoetone was born October 15, 1885. He is a Methodist minister, now retired and has been active in church work for many years. He is also a student of Kiowa history, having been interested in listening to stories told by the old-timers about life and happenings in the old days. He has written notes and memoranda concerning many of these happenings in recent years, but they are his own composition and from his memory of either viewing them or hearing them from other Kiowas. He has often served in the Indian police, and was an interpreter for the Surveyors when the country was opened up. At 82 he is alert, articulate, and seems to have a very good memory of things in past years. He is hard of hearing and sometimes misunderstands questions or must have them repeated.
