

and fish and things like that?)

Hunt? No, never did hunt at that time. When I grew up a little, maybe did.

(Did you like to be in the woods?)

Yeah. Cuttin' wood and cuttin' posts, about all.

(You make ties?)

Naw. Used to - too much work.

(Yeah. There's a lot of work in that. What did your daddy do in those days?)

Didn't do much. He farmed a little.

(What did they raise?)

Just corn. Only has but two horses and a wagon when we lived there. Then live here. Grow too old. Yeah. He got sick, had a stroke.

(Where was he buried?)

Spavinaw. Near Ribbon. I don't know about my mother. I guess over there, too.

I don't know. I was too small. Yeah. She died of TB. Father was too.

SALT WELL NEAR SALINE

(What did they call this creek here?)

Saline Creek.

(Did they used to have a sulphur well or salt well here?)

Yeah. Over in the Radium Springs.

(Yeah? Radium Springs?)

Seems like it was out where that car is, about.

(What was it like over there then when they had that?)

Huh?

((repeats question)...How did that water come out?)

I don't know. I sure don't know.

(Did it smell good?)

Well, it did taste good. Water was good.

(Did they use it for medicine, too?)
