

Yeah. Right over there.

(Now this used to be Saline Creek?)

Yeah. Yeah.

(Yeah, and when the snake start rattling?)

Yeah. They start rattlin' and I am hard of hearing.

(Do the Indians still treat snake bite?)

I don't know. Get blood out.

(For snake bite, they just suck the blood out, bite the wound, make it bleed, and then just suck the poison out. Then they get well?)

Yeah.
