

(I guess Birdchief, when he got older, chose one woman for his wife, rather than having to take care of many?)

Umm, he just had one, well, later, he's got another one. He just have one wife. Earlier, I guess, he had all those. But they got to where they just have one wife.

(What was her name?)

I never did see my grandma. She died. My uncle was four years old and my dad was seven, when they lost their mother. That's quite a ways back.

(Yes, that would be quite a ways back.)

So, I wouldn't know, I wouldn't know my grandma. 'Course, he married another woman; she died. Then he married another woman; she died. By that time, he was single man, and he never did marry another woman. He stayed with her 'til his death in '33.

(1933?)

Yeah, he's buried over here in the cemetery. There's a tombstone where he's a scout.

(Did he know where he was born?)

No.

(Did he have any brothers and sisters that he ever talked about?)

Never did.

(Was there any any thing that you think he was very bitter about, any one thing that he didn't want to talk about, but that you knew that he was very bitter about?)

No, he never did...

(He seemed like quite an interesting guy, very cooperative, very all-accepting
