

Full moon is the time to plant flowers like them.

(Yeah, those that grow tall like that.)

Yeah, they grow tall and keep putting out limbs, you know. Then get flowers on time. There are others you can plant anytime just so you plant 'em.

(Before they closed that Ft. Gibson over there, how many soldiers did they keep there?)

About 150.

(What was their main job?)

Just watching and see that the Indians didn't hurt nobody.
