(Have there been doctors up there that the people didn't like?)

No. I know they always like their doctors. I never heard anyone complain about the doctors. I go that doctor up here but Joey don't like to go to hospital. I don't know why. He goes to his own doctor up there at Snyder. His uncle used to be up here at hospital, Dr. Allgood and his nephew, young doctor, he's up there at Snyder. He goes to him all the time.
