

He said "We'll never have another ribbon work maker like Beulah Davenport" and I had to laugh because I was the one that made that suit. (There is much static on tape here) I think Mary has a allotment but I don't think she has a lot of headright, I think she just has a allotment. (Several minutes of tape not clear)

(No. (sentence not clear)--from inheriting things. I think he was a white man or another tribe of Indian.)

(End of tape).
