

There's some around Peggs.

(There is? Well!)

Yeah, heard somebody talking about they had some around Peggs. Quite a few mills over there.

(I haven't seen one, I can't remember. Old sorghum mills. The last one I saw they had an old mule he was pulling that tongue around. When did they hay balers come into use do you remember?)

Which one, the latest ones? Well, I can remember--- Now they just bale it and go on.

(Yeah, they don't have to put it up in stack anymore. Well, once in-a while you'll see a stack of hay where they've stacked it up for cows to eat on. But most of it's baled up now.)

I haven't seen one of them for years.

(Old four horse binder wasn't it?)

Yeah.
