

she come? Uncle Harry?)

Yes. And I imagine Mr. and Mrs. Rush come and Mr. and Mrs. Abbott. And Mrs. Pearl Kayser, as I remember. And several others. The younger people I remember. Ruth Kimes, Ruth Kimes. But I don't remember the rest of them families that came. There was quite a few of them came.

PEOPLE DECIDE TO BRING FOOD * COVERED DISH * TO HELP EXPENSES

(Uh, the way that I recall uh...uh it was more or less a kind of family affair at first, and had dinner. And I think...I remember you said, something about Mrs. Martha Rush. She said, that "ya'll was furnishing all the food." We all ought to bring some food and after a while all of them started bringing food. And they all put it together. Is that true?)

Yes. It was.

(Now that...it must of been quite an affair up there?)

Well, it was. At that time we had cattle and hogs, chickens, turkeys. And it wasn't...wasn't no trouble for us at that time. When he was going to put on a game why he would have things ready of that sort. And we had supper after the game. And that was all. And later, we had several of them games. Mrs. Martha (not clear) suggested they would all bring covered dish what they call today. Because she said, that he was furnishing all the meals at that time whenever he had them "shinny" games. So they all commenced to bringing covered dish, which that was nice.

THE GAME WAS USUALLY PLAYED IN SPRINGTIME

(I mean...now these games uh do you remember what time of year they was played.

I...the way I recall...seems like the spring...)

In the spring of the year.

(Spring wasn't it. Yeah. Didn't seem like it took too much to prepare a place to have these games in...seems like it was out there south of the house and seems like the grass was always kind of short there.)
