

now it's like a grape vine.

(Yeah)

Take it home and was it. Now you can see it's just red, lots of red berries on it right now. Just full of it, some of them over there.

(Yeah)

Those kind. All those things they use.

(Well there's, yeah all the Indian had to do is just start thinking about what all he can make.)

That's right. Start using head right then.

(Start using his head. But after you get started in that work there'll be lots of good ideas.)

Oh sure.

(But uh--.)

And you can go out here in this truck beds and pick up rocks.

(Yeah)

Lots of things you know just pick rocks. And you can work that up that up in a first rate thing.

(That's right.)

Uh--big.

(Yeah)

Just before you go up that big hill there.

(End of Side B.)
