

about the school and the church.)

School and the churches?

(Yeah. When they--the Cherokees first came. I wonder what they did?)

I don't know. I just don't know anything about - would be the answer.

(I guess they built schools.)

I guess, I guess maybe they did build schools.

(Yeah.)

Give the kids an education, I reckon.

INDIANS ESTABLISHED LAWS - COURTHOUSE - RED CLOUD DUNCAN

(Yeah. And how about the law. Did they have the law?)

Well let's see. Well I don't think they had any law at that time. They might have made some law after the beginning. You know.

(Uh-huh)

And oh--in them days you know find anybody need it, you know, they hung them or either whipped them.

(Yeah.)

Yeah, whipped them. I think they whipped them mostly. Didn't hang. Course, oh that was punishment. Wasn't it?

(Oh it--that was bad. That's what they did over here at Saline Courthouse too.)

That's what they did right over here.

(Right close to where you live here.)

Uh-huh. Yeah. Old Duncan place.

(Yeah.)

And then oh I imagine about a half a mile directly from Duncan place up the creek. Up side the hill there.

(Uh-huh.)

Old log building. Not much bigger than this room here. Didn't even have no
