

That's the best medicine there is. For a person. And that's what the Indian doctor use.

(Well. This Blackberry root.)

It might be that. I forget what they call it.

(Yeah)

I don't know what they call it in English.

(Uh-huh)

They get medicine from drug store now.

(Yeah)

Yeah. There was an old Indian woman up there by name of Jennie Peek. And I believe she was over 106 years old.

(Well)

Now she made medicine for the sick, you know. Whenever she made medicine the person sick took it they got well.

(Yeah)

Well, she made lots medicine.

(Is she still living, you say.)

I think so. She was not too long ago.

(What was her name?)

Her name was Peek.

(Peek)

Yeah Peek

(Uh-huh)

Her husband was a (not clear). I think she's till living yet. I haven't heard from her lately.

(Uh-huh)

You know Miss Peek, Jennie.
