

You know it snowed up so high against the house, people couldn't get out.

(Yeah. Yeah the weather changes, seem like.)

Yeah.

(Not like it used to be.)

The weather changes. I don't know how. (not clear) maybe.

(Must be something that makes it change. Yeah.)

Must be something to make it change. Well the book, preacher said the world will world will make a change.

SPEAKS OF CHANGES IN PEOPLE - USED TO VISIT THE SICK - BELIEVES IN GOD

Yeah the world really changed. I don't know whether the people will change or not. I guess some of them did. Go visit the sick.

(Yeah)

Maybe the build fire out in the yard. Some of them stay all night long.

(Yeah)

Visiting the sick. Maybe there be one or two, maybe be several people.

(Uh-huh)

Things have changed.. Ah-h, well I don't know. Well the people back then didn't go anywhere then like they go anywhere now.

(Yeah)

Now they just get in the car and go anywhere they want to now. Them days you know, they didn't have no chance to go so much.

(Right)

They usually went a foot.

(That's right)

All quit that. Its I don't know how its going to be in twenty years from now.

(Yeah)

There is much meanness now.

(Yeah)
