They took then down Texas. They had some Cherokee Indians in there. Do what they want to do They kill the rest of them you know except my brother and 5.
them. They turned over the Cherokee.
(leah)
See if they were going to shot or kill them. They take them to prison:
They sent them to prison and took them to Texas.
(Well)
they took them there $t$ Texas. They had a poisson there, Didn't have nothing to eat over there only feed firm corns Said one time he cut up a
$J$ harness. He tried to eat harness. icouldn.t eat them.
(Well. It was: just too tough.)
yeah. Said when the war wa through. These boys hid the 1 ron ny down at military ford dow there where they captured them., (Yeah)
And they walked fromprexas back to Kansas city. Said they wore their sides out. When they come dow over that mountain over there they dug their money up. Walked to Kansas City without shoes.
\%.
(Well, my that's a long ways so walk )
Yeah... Barefooted. Didn't have no shoes. They walked a lot during ; 中heicivil War they didn't ride. When those boys went to Kansas City you know, they van to get a pair of boots. And they just let them walk barefoot until they got over there. Said they couldn!t (Words not clear) - They took them about a half a mile north there. Then whirled around; turned around they went to Algiting. Had four days battle there. They run them clear down towards Texas: (Yeah)

The var was already over with then. But old (not clear) wanted to go down to kansas to get them a pair of boots. (Laughter) And lots of people got killed-Both sides.
