

(Yeah. What was another one of the old families that settled in this country in the beginning?)

Wards was (inaudible) there, too. I guess they're old.

Juanita: "And they's kin to them Carlisles, too. Carlisles, Cooksons, Blues--I guess all lived down off down in there. Didn't they, Jess?"

Jess: "Uh-huh."

(On up in here were the Sanders, the Rosses, and the Christies and the Wolfs.)

Christies are scattered all over. I'll (inaudible).

(Yes.)

CHRISTIES COME FROM ENGLAND

(But how did there get to be so many Indians--all of them Indians--when the original Christies, who came from England, were white people?)

Oh, I think the original Christies came from England. And there was a John Christie in England that was quite an outlaw.

(Uh-huh.)

And I think that's the name. Sounds like to me. (Inaudible) can't make it.

HARD WORK NOT INDIAN TRAIT

(No, the opportunity is here for the Indians.)

It sure is. Uh-huh.

(And all you have to do is take advantage of it.)

Take advantage. Get out and work, too.

(But the hard work is not one of the Indian traits, I don't believe.)

No. An Indian's not going to work himself to death.

(Well, by nature and by--through the history he's always been an easy going man. He hunts and fishes. He likes the woods. And if you disturb his routine, then you just about lose all of his interest in anything else. But the hard work is something that he--)
