

Yeah.

(Well those hogs just raised themselves didn't they?)

Wiley: Yeah. They run wild all the time.

(Well. Yeah horses just run loose in the woods?)

Wiley: Uh-huh. They don't hardly ever feed 'em till cold weather.

FISHING IN EARLY DAYS

(Well. Did you go fishing when you was young fellow?)

Wiley: Yes, they go to Barren Fork.

(Yeah)

Barren Fork and Illinois River. Down on river.

(Yeah)

Wiley: And Standing Rock.

(Uh-huh).

Wiley: They use buckeye.

(Well)

Stay there, I imagine about two days, maybe three days.

(Uh-huh)

Where they stay two to three they barbecue.

(My goodness)

They (words not clear). Here and two over there. That close the holes.

(Uh-huh)

And they put that (word not clear) pole (words not clear). Lay it on the fish right there.

(Well what about that.)
