

try to go to someone and try to make that turn around, you know, make this man want this girl.)

Uh-huh.

(And then they got married. So they kind of make it they turn that medicine back on him, you know.)

I don't know anything like that, but--

(But they say that they don't like to kind of be associated with any people that uses something like that, you know.)

Uh-huh.

(That's evil you know. I guess that's right that they say that Indian tent, some of them had kind of supernatural powers, you know.)

Uh-huh.

(But people wouldn't evern believe these days, you know.)

(End of tape.)
