

Yeah, Skiatook. We went to Skiatook several times.

(Uh-huh.)

They had a town down at Talala.

(Yeah I know where Talalá is.)

We used to go see (name not clear) a lot.

(Yeah. It was a pretty good little town a long time ago. Wasn't it?)

Oh yes. That's right. It was a pretty good little town.

(Yeah)

Now Grove down there. It's right in the mountain.

(Yeah)

Never did have a train in that country.

(Uh-huh)

It's all (not clear). Has been ever since.

(Well)

I was down there one time, had my teeth pulled.

(Yeah)

Pretty country down there. Hilly.

(Yeah hill country. But it's pretty country though.)

Yeah.. You don't go down in the winter time though. We found that out.

(Yeah)

That's when it snows.

(Yeah it can be bad there.)

But they had them big bull-dozers up there.

(Yeah)

They pull out right away.

(Uh-huh.)
