

We know what we lived under. And we're looking for something now. And we should look for something now. That is to happen according to Revelations. It's going to happen too.)

Yeah. Because I'm going to tell you why that we, or what brought this all to us. Just like it is. The people, the churches, has ignored the churches. What do you call fellows that demonstrated?

(Oh yeah.)

They've been badly mistreated. They were starving. There's only one way you're going to get it. And that's to brace up and go get it. Well that's what caused all that trouble in California. Just such as that. Yeah that's it.

(No one has said anything about the Indian and his rights.)

No. Now when they give that to the Cherokees, to come into this territory here, and take this piece of land. They says, "That can be yours as long as the grass grows and water runs."

(Right!)

All right it wasn't but a little while--just a very little while, they begin to drive other tribes in. Then they call it Indian Territory.

(Yeah.)

They broke that treaty. Instead of putting them Indians in another locality, and giving them that piece of ground, why they brought them in here. All right they brought in the Five Civilized Tribes. Supposed to be.

(Yeah.)

And not only them. There was, I expect fifty, easy of other tribes.

(All kinds.)

There was the Senecas--and Quapaws.

(Delewares.)

And another tribe right up here in--
