

over there about ten years. Over there course over there, I worked as a carpenter, there. Went to carpentering after that. And I carpentered until I got crippled up. Got this, this arthritis hit me, then I had to quit everything then.

(Well.)

(Unclear) pain pills, that's about all they give you something. They give us a different kind of pills.

(Well back when you first remember or in your days around Copan, was it a pretty peaceful town or did they.)

Oh it was.

COPAN WAS PEACEFUL - MUCH ROUGH ACTIVITY IN NEAR AREA

(They didn't have any outlaws like they did up around Caney.)

Oh not to my knowledge, no. You take around Bardlesville now, that was pretty rough in there.

(Well.)

But it seems like Copan wasn't.

(Well, that's good.)

It was pretty peaceful there. Of course, there have been several killings there. Of course, you know, that happened anywhere.

(Oh yes.)

Bardlesville, they were a little rough there now.

(I know these early oil towns it could be rough.)

You take them oil towns, there was the ones that was rough. Yeah, take back there, well not too many years ago, take that over around Shidler and Three Sands over in there. Boy I guess that was rough over in there (Pearsonia and Nelagoney.)

Yeah all them in there. You take --
