

(static - sentence not clear)

(Yeah)

Sallie England graveyard and Salone graveyard.

(Yeah the--)

Some Indians by the name of (name not clear) is buried up there. Salone graveyard.

(Yes ma'am. Yeah they were. You can't tell just exactly where the grave was there. But I did find about fourteen markers there.)

At that Salone?

(No, at the Sallie England.)

Oh.

(Static - sentence is inaudible)

(No, the stones have all been pushed down. And it's a cow lot now. I doubt that it could ever be fixed up again it's in such a bad shape.)

(Words not clear, but concerns Stan Watie)

(I've been interested in that Stand Watie family. Did Stand Watie died before his wife?)

No, I think she died before he did. Now I'm not sure. I don't remember anything about that.

(Well, I've read that she died before he did. But the dates on the markers must be wrong. They show him that he died in 1871 and she died in 1883. She died twelve years later.)

Yeah.

(Everybody I've talked to say that he died after she did. Well, you know, originally his wife and two children were buried over in Oldfield Bend.

GRAVE OF STAN WATIE

Yeah. That's the graves I was telling you about when you came. You know, I, they said Stand Watie was buried there. And there was someone told me it was his wife.
