Dear Sir:

We enclose you herewith blue prints of the plats showing right of way desired by Okmulgee County, Oklahoma, through the allotments of Lona Star, Walter Henry and Cokey Davis for the construction of roads which are a part of the Oklahoma State Highway System. In securing this right of way we are proceeding under the provisions of the Enid & Anadarko Act and these prints are for your file in accordance with the procedure specified in that act. We are also filing the original tracings of these plats with the Secretary of the Interior at Washington and blue print copies of the same with the Superintendent for the Five Civilized Tribes at Muskogee.

Very truly yours,
