

UNITED STATES INDIAN SERVICE,

UNION AGENCY, MUSKOGEE, JAN. 23rd, 1884

Sir;

Referring to office letter dated January 16th, 1884, F. Letter 850-1884, I have the honor to report that it will be impossible for me to certify, as requested in above office letter, until the Chief informs me who has been elected Treasurer, and that he has given bonds as the Creek law provides.

Immediately on receipt of such information I will forward his name to the Asst. Treasurer at St. Louis, with certificate that he is the Treasurer, and the proper person to whom the Creek funds should be paid.

Neither Is-par-he-cho or Perryman has given me any information on the subject; waiting I presume for the Chief question to be settled.

Very respectfully,

Your obt. Servant,

Jno. Q. Tufts,

U. S. Indian Agent.

Hon. H. Price,

Commissioner of Indian Affairs,

Washington, D.C.
