

Executive Office

MUSKOGEE NATION

P. PORTER, Principal Chief.

Muskogee, Indian Territory, Sept. 14, 1906.

Hon. George W. Grayson,

Eufaula, I. T.

Sir:-

I enclose herewith warrant No. 2532, drawn in your favor for \$225.00. This is in payment of your bill for translating and printing in Creek, 2500 copies of the Curtis and Statehood Bills,.

Gen. Porter expressed himself as being satisfied with the bill, saying that he considered the same very reasonable, but suggested that I ask you to forward to this office a receipted bill showing what amount was due you for translating, and the amount for printing. He wants this only because that sometimes the Council is particular about these matters.

Respectfully,

Enclosure.
