MR. SHARPS STORY:

Mother was born in Oklahoma and my father came
here from Tennessee in 1888.

"My father was a musician such as played the 'fiddle'
for square dances in the 90's - He has related many
incidents about playing in Indian houses and barns and
being paid by - a pig- or sack of corn to be made into
meal etc--

"....most Indians when shopping do not buy the
brightest colors --Except in blankets - Have been
merchandising in Oklahoma a number of years--"
