BLAND, ZAIDEE B. CEMETERIES--MISCELLANEOUS 4198 NAVAJO Zaidee B. Bland, 198

Interviewer. May 25,-1937.

## "NAVAJO CEPETERY"

The land which is the present location of this cemetery has been deeded to the county, and I do not believe it could be considered absolutely aband ned as some of the old timers are being brought back and put away everyonce in a while.

And someone thought enough of it to have three acres and three quarters/ deeded to the county.
