Hazel Greene.  
Journalist,  
April 12, 1938.

Second Interview with Matthew Watson,  
Hugo, Oklahoma.

One of my great grandfathers who came to this country from France had so much name and French, too, he simplified it into English and became Mr. Allibone. One of his daughters married one of the Washingtons, Thomas or Lawrence. One married Lord Power - grandparent of Tyrone Power, movie actor. One, of course, my grandfather, Matthew Watson, of Nashville, Tennessee.
