## THE BOHANNON CEMETERY LEFLORE COUNTY, OKLAHOMA

This old cemetery is located about nine miles east and five miles south of Talihina and about two miles west from Whitesboro.

one of the headstones, that of Sarah Woods, gives the date of her death as of April 1, 1863, and indicates that the cemetery was founded at a comparatively early period.

It is less than one acre in extent, but the County records disclose that one acre of ground was reserved by the Chockaw and Chickasaw Nations from allotment.

It is neatly inclosed with a barbwire fence and shows evidences of recent care.
