LETTER OF FUS FIXICO

Well, so Hotgun he say he wake up and didn't had no greens to eat except poke leaves. The frost was left nothing in his sofky patch but crab grass and his one-horse plow and a set a chain harness. But Hotgun he say he was glad it wasn't a cyclone.

Well, so I like to know what kind a man Secretary It's Coked is anyhow. Look like he didn't had no safety notch and couldn't stand coked. He was change his mind every time before he get it made up good. When he do anything he acts like he was sorry and take it back after it's too late in the day. So He was had Tom Ryan change the message he was sent to Tams Big Pie and say, "Well, so I don't want no monkey business when I get off of the train in Muskogee. I dan't want to hear no brass band playing Dixie or big talk about statehood and things like that. So you must stay in your office and work same

as a beaver instead hanging up flags and running down to depot to see if it's train time yet; so when I come there sure enough the people wont think Ringling Brothers was in town to give a show."

When I was told Hotgun about it he say, "Well, so I don't see how Secretary It's Coked catch on to anything down here if he don't get out with the boys and had a good time and get acquainted.

Well, so I think Dennis Flynn was smarter man than Rob It Owing, 'cause he make a stride sometime and show he wasn't stood still and study about the the same thing all time. Dennis Flynn was change his mind for one statehood, but Rob It Owing was want two statehood like he say ten years ago and was made me think about a poker player that was stood pat on two dueces and nothing to nigger with.

Well, so I see in the newspapers they was lots a candidates for Creek Chief 'sides Pleas Porter and Charley Gibson and Legus Perryman and Yaha Tastanuggee. But I think it was laid between Yaha and Charley 'cause they get all the Injin votes and was left nothing for Pleas and Legus but niggers to vote for them and maybe so a few half breeds that was hungry for

pie.

Hotgun he don't care much for politics like in olden times when he could get on the jury and draw \$1.50 a day for three weeks, or maybe so be lighthorse captain and have lots a prisoners to hoe in his sofky patch for nothing and get paid for feeding them on apusky and sour bread.
