

PERRYMAN TO R.V. BELT

Executive Office

Okmulgee Jany 24. 91

Hon. R.V. Belt
Asst. Commissioner
Indian Affairs

Dear Sir:

While your rulings in the manner of payment to the Creek families who are married to white persons or citizens of the United States requiring the presence of such Creek families to draw their share of the p_____ payment may in some cases the ruling would effect well but it seems to me that most of the cases it would incur hardships and extra expense to such families I would request that you modify the rulings so that in cases when the council members of the Towns would recommend the payment to non citizens and show to you that these men are responsible &c that such husbands may be allowed to draw for their families.

Very Respectfully

L.C. Perryman

Respectfully referred to Mr. N.B. Moore

Treasurer Creek Nation I consent to the payments as herein requested
R.(D). Belt

Asst. Commiss. of Ind. affairs.
