Dear Sir

We send you as requested the "Washington Telegraph" this week, for which we have \$5- for 12 months - we hope you will continue to keep our mail Rider & Horse, as there is at present, no other gentleman within our reach situated to do so, and if you decline it will compel us to fail in supplying your people with mail facilities, which we would much regret, and which, we trust and believe you will not permit by any want of Co-operation on your part for the public welfare. - We assure you of the prompt payment of your bills at such times as you may desire, and will try to give you no trouble in accommodating us. - If you will continue to keep us, please inform us the price per night, for 2 nights each week -

Very Respectfully
Trimble & Martin
