Dear Sir,

I have the pleasure to enclose to you a letter from my friend Col. G. F. W. Claiborne, and as it relates to an interesting subject upon which you are well informed, I hope it will be agreeable to you to respond favorably to it, and to furnish him with the interesting information you have about the Choctaws, for the work upon which he is now engaged, and which he wishes as soon as it can be obtained.

My health tho' much improved, since you were kind enough to call to see

me, is subject to changes, and
does not allow me to venture out
in such severe cold weather as
the present. Otherwise I would
have the pleasure to call and
see you, and deliver the en-
closed letters in person.

Hoping to hear from you
soon, and soon to be able
to call upon my friends
personally.

I am most respectfully
Yours

Robert C. McRay
