Dear Sir
Sept 3. 1861

Genl. A. Pike.

Dear Sir.

I write merely to let you know that the Choctaws have 7 or 8 Companies organized as volunteers to serve the Confederate States. Three more Companies will be organized during this month. I am authorized by these Companies to make any arrangements with the authorities of the Confederate States to enlist them into service. So, if you have ample authority to receive one more regiment of Choctaws to serve on the frontier or elsewhere please give us information at your earliest opportunity.

Very Respectfully
M. W. W. W.
Sampson Robinson

P. S. We are going to send direct to
Pepper & Davis for authority,
but prefer you should attend to
the matter for us.
