

Quarterly Report showing the condition of the
Choct. Academy in Scott County Ky. on the 1st Aug. 1831

As we have had an examination
of the students at this Institution by ~~the Trustees~~
(and a very interesting exhibition) I shall refer
you to the rept. of the trustees as to the progress
in the various branches in which they have
been taught.

The rept. of the trustees will be forward^d
in a few days.

We have in school at this time one
hundred and seven Indian youths all in
good health except one who has been on the
sick list about six weeks, but is now on the
recovery and I hope will be able in a few
days to attend school.

Gen^l. Tipton reported the six Miami &
two Patawatames, delivered at the school a few
days since.

The late Sec. of War Major Eaton req^d
that I should furnish a list of the names
of all the students in school, which I now
have the hon^r. to forward to you.

There are 65 Choctaws 25 of whom are
under the first arrangement made with that
tribe and 40 under the provision of the

tate heaty with the Choctaws.

We have 15. Putnamwalames, 10 Miami's, 8 Seminole's
4. Quawpaws, 3 Gacks, and 2 from Pauceduckheim
making the total of one hundred & seven.

Vol 1st. Choctaws.
