will be with the other things
New Hope. Aug 19th 1842

Dear Bro. Peter
We have been

looking for you for about a month
I now think it my duty to say to you

to come up immediately - things do
not go altogether right with some of
your slaves - perhaps you have heard

Wash's capture - one thing more,
would let you know you are -
an about - But alas! alas! when

shall we expect to find safety in this
world of sin - this lying & ambitious world -
yes! there is safety in Christ - even in this
world - if we seek first the righteous

of GA, all other things will be added
unto it - to make us safe in the possession
of our right full property - and this
righteousness of God will be profitable
to us, if we understand the right enjoy-
ment & application of it - for it says
"God's stamp is profitable unto all things"
Having the promise of the life that
now is, and that which is to come

Peckham is not here - has
been gone for some time - I have found
him out to be not much & his word
is not to be taken in every thing, especially
by about over - He is a believer in Mitchell's
Conspiracy, an enemy to the Cause of
temperance, an opposer to the Cause
of Missions - Still he is, he says, a believer
in the Bible - So I have been troubled

to form a correct opinion of him -
So I am suspicious of the man -
I am afraid of him - We have heard
him pray, but some times his prayers
are curious -

Come up immediately -

Very affectionately
J. Johnson
